

HOAA is an organization designed for the spouses and or partners of medical students, residents, and fellows. Our purpose is to provide a support network to help you adapt and flourish during the years of medical training.

Throughout the year, we enjoy a variety of activities that include dinners, outings, and special interest groups including book club, young professional happy hour and bible study. We also sponsor a popular playgroup that meets up around town. As members of HOAA, we are dedicated to helping each other as well as those around us through our community service projects.

To become a member please follow these steps:

Select-

- New Membership
